

8-th South East European Conference on Chemotherapy, Infection and Cancer Thursday 12 October		
14.00-18:00	Registration	
19.00-22.00	Welcome reception Premium Beach Hotel	
8-th South East European Conference on Chemotherapy, Infection and Cancer SCIENTIFIC PROGRAM, FRIDAY 13 OCTOBER		
09:00 – 09:30	Welcome, opening ceremony	University of Medicine Tirana, Faculty of Medicine, MoH, UHCT
09:30- 11:00	Symposium of the Bulgarian Chemotherapy Society Chairs: K. Metodiev, G.Tsankova	A Step Away: From Global Terrorism to Non-conventional Bio Terrorism, Organization and Coordination of Counter Measures KrassimirMetodiev (PL) 30' HSCT with HIV patients: three lessons from three cases, Igor Resnick (L) 20' Predictive markers in clinical oncology AssiaKonsoulova (L) 20' New approaches in oncoimmunotherapy AssiaKonsoulova (L) 20'
11:00-11:30	Coffee break& poster view	
11:30-12:10	Symposium of the Bulgarian Chemotherapy Society (cont.) Chairs: I.Resnick, N.Ermenlieva	Incidence of vaccine-preventablediseases in Varnaregion, Bulgaria Tatina T. Todorova, DayanaTsankova, NeliErmenlieva, Gabriela Tsankova, Eliana Ivanova Peculiarities in clinical course and outcome of Enterovirus infections of the central nervous system for a period of five and a half years in the Clinic of Infectious diseases of University hospital Stara Zagora, Bulgaria Pekova L, Parousheva P, NikolaevaGlomb L, Stoyanova A, Mladenova Z. (SOP), 10' Microbiologic Monitoring of Hospital Environment in Varna District, GerganaNedelcheva, Gabriela Tsankova, NeliErmenlieva, TatinaTodorova, DayanaTsankova. (SOP), 10' Minimal Inhibitory Concentration (MIC) Determination of New Organoiodine Agent Nadya Hadzhieva, Neli Ermenlieva, Gabriela Tsankova, Iliyan Kolev, Tsvetelina Kostadinova, Gergana Nedelcheva, Tatina

		Todorova. (SOP), 10'
12:10-13:10	UTI symposium: Organized by Working Group : Urinary Tract Infection of International Society of Chemotherapy for Infection and Cancer (ISC). Chairs: K.Naber, M.Cek	New aspects of diagnostics and treatment of uncomplicated UTI Kurt G. Naber (Germany), (L) 20' How to deal with UTI caused by ESBL and Carbapenemase producing Gram-negative uropathogens? ErsanArda (Turkey), (L), 20' Inflammation of the prostatic tissue and its relation with BPH and prostate cancer Mete Cek (Turkey) (L), 20'
13:10- 13:30	Adjunct session General Hospital of Chania, Greece Chair: N.Como	Echinococcosis in humans and animals prevention and control Prof SerafimG.Kastanakis, Greece (L) 20'
13:30-14:30	Lunch& Poster session	
14:30 – 16:00	Symposium: Problems and collateral effects in antibacterial chemotherapy Organizer:ISC Working Group “ Collateral effects of antiinfectives “ and Romanian Society for the Study of Chemotherapeutics Chair : Mihai Nechifor, Serafim Kastanakis	Recurrent Clostridium difficile diarrhea: risk factors and strategies for prevention MihaielaLupse(L), 20' Antibiotics in prophylaxis-collateral effects and problems. MihaiNechifor (L), 20' Characteristics of systemic severe infections in oncologic patients. Catalina Luca (L), 20' Infections in children-the contribution of modern laboratory. Camelia Grigore, NicolaeGrigore, (L), 20'
16:00-16:30	Coffee & Poster session	
16:30 – 18:00	Symposium: “Challenges of rational antimicrobial treatments in real life settings” Organized by Serbian Society for Antimicrobial Chemotherapy Chairs: MijomirPelemis, KrassimirMetodiev	Importance of pre analytic process in modern microbiology IvanaCirkovic (L) 20' Therapeutic challenges in sepsis - importance of blood cultivation and rapid diagnostic tests GoranStevanovic (L), 20' Challenges in treatment of serious infectious MijomirPelemis(L), 20' Antibiotic interaction with other drugs MilicaProstran(L),20'
18.00-18.30	SEEC Board Meeting	Proposal, Discussion and Decision on the host and dates of the next 9-th SEEC, October 2018

8-th South East European Conference on Chemotherapy, Infection and Cancer

SCIENTIFIC PROGRAM, SATURDAY 14 OCTOBER

09:00-10:15	Parallel Symposium 1: Various aspects of antimicrobial stewardship and infection control Sponsored by: Slovenian Society for Antimicrobial Chemotherapy Chairs: Mila Cizman, Arjan Harxhi	Prescribing antibiotics at emergency departments; guidelines vs. real time data Mateja Logar (L) 15' Communicating consumption data: national and local level activities for community and hospital care , experiences from Slovenia Milan Čizman (L) 15' Antimicrobial use in long term care facilities Bojana Beović (L) 15 ' The role of infection control in reducing the spread of antimicrobial resistance. Tatjana Lejko Zupanc (L) 15'	Parallel Symposium 2: Infectious diseases and Migrant Crisis in Europe in 2015-2017 Organized by the ISC WG ID in catastrophic area, Slovakia Chairs: Vladimir Krcmery, Goran Stepanovic	Screen or not to screen for ID? Vladimir Krcmery (L) 20' Rapid diagnostic testing for IDs, is it a good option? Maria Komlosi (L) 20' Maternal Health and STIs in various migrant populations. How does conflict affect vulnerable? Alexandra Mamova (L) 20'
10:15-10:30	Coffee & Poster session			
10:30 – 11:30	Parallel Symposium: “The challenges of treatment and prevention of influenza “ Workshop organized by South East European Center on Infectious Diseases Surveillance and Control (SECID) Chairs: Silva Bino, Najada Como	Neuraminidase inhibitors for the prevention and treatment of influenza – new ECDC expert opinion (20') TBC The challenges of Influenza vaccine introduction and use (20') TBC (WHO) The role of Influenza surveillance to measure the burden of Influenza and vaccine and treatment effectiveness (20') S.Bino on behalf of SECID	Parallel session 2 « Treatment of neutropenia in patients with blood malignancies » Symposium organized by Albanian Society of Hematology and Service of Hematology Chairs: Tatjana Caja, Arben Ivanaj	The current treatment of neutropenia in AL. P. Pulluqi. (SOP) 15' The current treatment of the patients with neutropenia with LMNH. T. Caja, Dr. A. Perolla, (SOP) 15' The last update of treatment of neutropenia in patients after BMT. A. Ivanaj, A. Cili. (SOP) 15'
11:30-13:00	Parallel session: Organized by Kosovar Society of Infectious Diseases Chair: Hamdi Ramadani, Dhimiter Kraja	Treatment of Hepatitis C with Peginterferon alfa 2b in Kosovo H. Ramadani*, I. Tolaj, V. Gashi, F. Havolli, 15' An outbreak of measles in Kosova Ramadani H, Krasniqi V, Aliu-Bejta A, Gashi V. 15' Blood Brain Barrier damage as a predictor of outcome in patients with	Parallel session 2/2 Short oral presentations “Epidemiology of viral infections in Albania” Organized by Albanian Society of Clinical Microbiology Chairs: Andi Koraqi, Vjollca Duro	Distribution of viral infectious agents among patient at UHC “Mother Theresa” in Albania. Vjollca Duro. 15' Etiology of Viral infections in Kidney transplant recipients in Albania. Denada Lacej. 15' The role of molecular biology and other new

19:00-23.00	Gala Dinner& Award for best young scientist			
	Closing addresses: ArjanHarxhi, KrassimirMetodiev			

NOTE:

PL – Plenary lecture

L – Lecture

SOP – Short oral presentation

P - Poster

POSTER SESSION:

Posters shall be mounted and presented by their authors during the coffee breaks on Friday and Saturday

List of posters:

- 1. Relevance of avidity testing of VCA IgG in EBV diagnostics**
Ts.Kostadinova, L.Ivanova, Zh.Stoykova, T.Todorova, N.Ermenlieva, G.Tsankova,
D.Tsaneva
Medical University, Varna, Bulgaria
- 2. Primary prosthesis of large joints in patients with Morbus Paget: Clinical experience**
N.Kolarov, R.Popstefanov, P.Petkov
Medical University, Varna, Bulgar
- 3. The importance of managing clostridium difficile infection**
Camelia Grigore¹, Nicolae Grigore², Maria Totan²
¹Pediatric Hospital of Sibiu,Romania
²Lucian Blaga University of Sibiu, Faculty of Medicine, Sibiu, Romania
- 4. How frequent is the rotavirus infection in children below 5 years of age?**
Camelia Grigore¹, Nicolae Grigore², Maria Totan²
¹Clinical Pediatric Hospital, Sibiu, Romania
²Lucian Blaga University of Sibiu, Faculty of Medicine, Sibiu, Romania
- 5. The incidence of helicobacter pylori infection in children and teenagers**
Camelia Grigore¹, Nicolae Grigore², Maria Totan²
¹Pediatric Hospital of Sibiu, Romania
²Lucian Blaga University of Sibiu, Faculty of Medicine, Sibiu, Romania
- 6. Dexamethasone influence on antibiotic therapy in oro maxillary suppurations**
Nechifor Mihai¹, Gradinaru Irina²,Popescu Eugenia³, Cracana Alexandra², Petrescu
Diana Cezarina¹, Gales Cristina⁴, Ghiciuc Cristina¹
¹Department of Pharmacology ;
²Department of Implantology, Removable Dentures Technology;
³ Department of Oral and Maxillofacial Surgery;
⁴Department of Histology “Gr. T. Popa” University of Medicine and Pharmacy Iasi ,
Romania
- 7. Antimicrobial resistance rates - patients with UTI**
Stevanovic Olja, Stevanovic Goran, Barac Aleksandra
Clinic for Infectious and Tropical Diseases, Clinical Centre of Serbia
- 8. How famine in 2016 affected STIs in women in South Sudan**
Alexandra Mamova,
Tropical Institute, St. Elisabeth University, Sllovakia
- 9. Laryngeal tuberculosis – a case report**
SerafimKastanakis MD, PhD, Prof., Efklidis K. Proimos MD, PhD,
AlexandrosLadias MD, Maria Zisoglou MD MSc., Theognosia S. Chimona MD,
PhD, Chariton E. Papadakis MD, PhD.

ENT Department Chania General Hospital.

10. Tuberculosis incidence among immigrants in a primary health care centre

Dimitrios Anyfantakis¹, Evangelos Vittorakis², Pagona Kastanaki², Serafim Kastanakis³

¹Primary Health Care Centre of Kissamos, Chania, Crete, Greece

²Medical School University of Crete, Greece

³General Hospital of Chania, Greece

11. Isolation frequency and resistance to antibiotics of *Pseudomonas aeruginosa* isolates at Saint George General Hospital of Chania during 2016

M. Papadogianni, K. O. Zervaki-Măgurean, E. Papadomanolaki, G. Alevraki, S. P.

Papadantonakis, A. Tsouri, E. Vittorakis*, S. Kastanakis.

Microbiology Department, Saint George General Hospital of Chania, Crete, Greece.

Medical School, University of Crete, Heraklion

12. Study of *Acinetobacter baumannii* isolates in Saint George General Hospital of Chania during 2016

K. O. Zervaki-Măgurean, M. Papadogianni, E. Papadomanolaki, G. Alevraki, S. P.

Papadantonakis, A. Tsouri, E. Vittorakis*, S. Kastanakis.

Microbiology Department, Saint George General Hospital of Chania, Crete, Greece.

*Medical School, University of Crete, Heraklion

13. Challenges in applying point prevalence survey in Albanian hospital settings

Authors: Gentian Kasmi¹, Irena Kasmi², Iris Hoxha³, Admir Malaj³

¹Department of Laboratory, Service of Microbiology, University of Medicine Tirana

²Service of Pediatric Pneumology, HUC “Mother Theresa” of Tirana

³Department of Pharmacy, University of Medicine Tirana

14. Intensive Care Management of Infectious Nosologies in immunodepressed patients

A.Ndreu², M.Qato¹, N.Como¹, P.Pipero¹, E.Reci², A.Bengu², T.Punmira², A.Xhika²,

D.Hoxha², S.Plaku², K.Nasto¹, A.Neco², Dh.Kraja¹, A.Harxhi¹

Infectious Disease Service¹, Intensive Care Unit², UHC Moter Theresa ,Albania

15. Malignancies in HIV/AIDSs Albanian Adults

¹Meta E, ¹Harxhi A, ¹Como N, ¹Pipero P, ¹Muco E, ¹Shkurti K,

¹Capo R, ¹Gjataj A, ¹Hoxha N, ¹K ushi A,

²Shehu E, ³Dervishi M, ³Shundi L, ^{4A} Ademi S, ⁵Cili A, ⁵Perolla A, ⁶Berdica L, ⁶Zllami B,

¹Kraja Dh

¹Infectious Diseases Service, ²Dermatology Service, ³IPH, ⁴Oncology Service,

⁵Hematology Service, ⁶Histology Service, UHC “Mother Theresa”

⁷Neurology Service Amerikan Hospital, Tirane, Albania

16. Management of *Mycobacterium avium* complex granulomatous lymphadenitis in a HIV patient: a never ending story

A. Gjataj¹, E. Meta¹, R.Capo¹, E. Muco¹, K.Shkurti¹, Dh. Kraja¹, M. Buba², M. Basho³,

P. Pipero¹, N. Como¹, A. Harxhi¹

¹University Hospital Center of Tirana “MotherTheresa”, InfectiousDiseaseService,

Tirana, Albania, ²University Hospital Center of Tirana “MotherTheresa”,

AnatomopathologyService, Tirana, Albania, ³University Hospital Center of Tirana

“MotherTheresa”, RadiologyService, Tirana, Albania

17. The skin rash and vasculitis in Infectious Endocarditis

D.Petani, N.Como, Dh.Kraja, A.Harxhi, P.Pipero, T.Kalo, E.Kolovani,
N.Gjermeni, E.Ramosaco, E.Zogu, R.Byku
Infectious Disease Service UHC Tirana, Albania

18. A new case of Schistosomiasis in Albania imported by Africa.

Esi Duka, N. Çomo, A. Harxhi, P. Pipero, A. Pilaca, M. Resuli, Dh. Kraja.
Service of Infectious Diseases, UHC "Mother Teresa" Tirana, Albania.

19. Infections in patients with cancer

Edmond Puca¹, Emiljana Huti², Sonila Bitri³, Areti Pojani³, Kadir Burak Koza⁴, Entela Puca³

¹Service of Infectious Diseases, University Hospital Center, Tirane, Albania

²Service of Oncology, Amerikan Hospital, Tirane, Albania

³Service of Intern Medicine, Amerikan Hospital, Tirane, Albania

⁴Service of Surgery, Amerikan Hospital, Tirane, Albania

20. Is Procalcitonin the best marker for sepsis?

Edmond Puca¹, Elda Qyra¹, Gentian Stroni¹, Albana Daka², Gentian Huti², Migena Qato¹, Alketa Rrustemaj², Monika Dede¹, Pellumb Pipero¹, Entela Puca²

¹University Hospital Center, Tirane, Albania

²Amerikan Hospital, Tirane, Albania

21. Epidemiological, topographic and prognostic aspects of Janeway lesions and Osler nodules in Infectious Endocarditis

E.Zogu, N.Como, Dh.Kraja, N.Gjermeni, E.Kolovani, E.Ramosaco, D.Petani,
R.Byku, P.Pipero, A.Harxhi,
Infectious Disease Service UHC, Albania

22. HIV associated lymphoma.

Elda Qyra, Monika Dede, Migena Qato, Edmond Puca, Gentian Stroni, Pellumb Pipero,
Dhimiter Kraja, Arjan Harxhi.
Infectious Disease Service UHC, Albania

23. Diagnostic challenges of ocular syphilis in ocular involvements of HIV infection

Ergys Ramosaço, Entela Kolovani, Dhimiter Kraja, Najada Çomo, Amarildo Belshi
Infectious Diseases Hospital UHC Tirana, Ophthalmologic Clinic UHC Tirana, Albania

24. Cerebral abscess in a subject with cardiac congenital defect

K.Leka¹, A.Kuqo², A.Roji², A.Seferi², S.Qirko³, A. Harxhi¹

Department of Infectious Diseases

Department of Neuroscience

Department of Cardiology

25. A generalised herpetic infection as first sign of severe hematologic disease

Leka K¹, Kokici M², Kalo T¹, Buba M², Perolla A³, Papa V¹.

Department of Infectious Diseases

Department of Laboratory

26. TB, HIV and Syphilis co-infection.

K. Leka¹, A. Harxhi¹, N. Hoxha¹, A. Kushi¹, E. Muco¹, E. Meta¹, V. Papa¹Sh. Qyra²

27. Co infections and metabolic diseases

K. Leka¹, N. Hoxha¹, A. Harxhi¹, Sh. Qyra², E. Muco¹, E. Meta¹

Department of Infectious Diseases

Department of Microbiology

28. Spondylodiscites in adults

Leka K¹, Roji A², Seferi A³, Harxhi A¹, Gjermeni N¹, E. Muco¹

Department of Infectious Diseases

Department of Imaging

Department of Neurosurgery

29. Haematological changes in patients with acute malaria imported to Albania

MajlindaKokici (1), DhimiterKraja (2) ArjanHarxhi(2),NajadaComo(2),

KlodianaShkurti(2), EntelaRamosaco(2)

Laboratory Service, Mother Theresa Hospital, Tirane

Infectious Diseases Service, Mother Theresa Hospital, Tirane

30. Clinical and epidemiological survey of Infectious Pathologies in immunocompromised hosts

M.Qato, N.Como, P.Pipero,A.Ndreu, E.Puca, E.Qyra,M.Dede, G.Stroni,

I.Koshovari, K.Nasto ,J.Majko, Dh.Kraja ,A.Harxhi

Infectious Disease Service,UHC Mother Theresa

31. Challenge of managing outpatient treatment of an immunocompromised patient with bacteremia and pulmonary infection by *Pseudomonasaeruginosa*. Case presentation.

M.Dede, E.Qyra, G.Stroni, E.Puca, N.Como, P.Pipero, Dh. Kraja, A. Harxhi

Infectious Disease Service,UHC Mother Theresa

32. Diagnostic And Therapeutic Aspects of HCV in ID Service

N.Como, Dh.Kraja, N.Gjermeni, E.Meta, V. Ostreni, E.Kolovani, T.Kalo, M.Qato,

P.Preka, E.Zogu, D.Petani, R.Byku, R.Capo, P.Pipero, A.Harxhi

Infectious Diseases Service, UHC “Mother Theresa” Tirana, Albania

33. Successful Retreatment of Hepatitis C Genotype 1b Infection With Ombitasvir /Paritaprevir /RitonavirIn Combination With Dasabuvir

N.Como, Dh.Kraja, E. Kolovani, E.Meta, E.Zogu, R.Byku, P.Preka, D.Petani, P.Pipero, A.Harxhi

Infectious Diseases Service, UHC “Mother Theresa”, Tirana, Albania

34. HCV infection in immunocompromised patients

N.Como, Dh.Kraja, M.Qato, E.Meta,E.Kolovani, V.Ostreni,E.Zogu, P.Preka, P.Pipero,

S.Bino, A.Harxhi

Infectious Diseases Service, UHC “Mother Theresa”, Tirana, Albania

35. Clinical aspect of pain in Infectious Rachiditis

N.Gjermeni¹, Dh.Kraja¹, N.Como¹, A.Harxhi¹, P.Pipero¹, K.Shkurti¹, T.Kalo¹,
E.Kolovani¹, D.Petani¹, E.Meta¹, G.Stroni¹, E.Muco, E.Ramosaco¹, E.Zogu¹, E.Rapushi²
Infectious Disease Service, UHC, Tirana, Albania¹
Rheumatology Service, UHC, Tirana, Albania²

36. A study over epidemiologic, topographic, etiologic and prognostic aspects of Infectious Rachiditis in immunodepressed patients.

N.Gjermeni, N.Como, K.Shkurti, E.Kolovani, D.Petani, G.Stroni, E.Meta, A.Harxhi,
P.Pipero, Dh.Kraja
Infectious Disease Service, UHC Tirana, Albania

**37. Use of adjunctive corticosteroid therapy in tuberculous meningitis :
how far we can go**

R. Capo, A. Gjataj, E.Meta, E.Muco, K. Shkurti, A. Roji, P. Pipero, N. Como, Dh.Kraja,
A. Harxhi
University Hospital Center of Tirana, ID Service

38. Leishmaniasis-associated Hemophagocytic Syndrome in HIV-infected patient.

Muco E¹, Kokici M², Kraja Dh¹, Como N¹, Pipero P¹, Kalo T¹, Shkurti K¹, Harxhi A¹
¹Infectious Diseases Service UHC “Mother Tereza” Tirana.
²Laboratory Department UHC “Mother Tereza” Tirana.

39. Management of two microbial sepsis in HIV patient, case report.

Muco E¹ Mehmeti J² Kermaj M³ Kasmi G⁴ Mano V⁴ Pipero P¹ Harxhi A¹
¹Infectious Diseases Service, University Hospital Center “Mother Tereza” Tirana,
Albania.
²Infectious Diseases, Hospital of Saranda.
³Endocrinology Service, University Hospital Center “Mother Tereza” Tirana, Albania.
⁴Service of Microbiology, Hospital Center “Mother Tereza” Tirana, Albania.

**40. Infection control practices at University Hospital Center of Tirana: a decade of
experience**

Albana Fico¹, Mereme Sela², Arjan Harxhi¹, Narvina Sinani³, Besim Boci¹
1. Faculty of Medicine, UMT
2. Sector of HIC, UHCT “Mother Theresa”
3. Service of Pharmacy, UHCT “Mother Theresa”

Publications: all accepted and presented papers at the 8-th SEEC in Durres, 12-15 October 2017, shall be admitted for review by a group of experts in chemotherapy, infection and cancer. Those of the reviewed papers, which are prepared according to the international rules for publications, shall be directed for a full-text publication in the Intl. Journal of IMAB “Annual

Proceedings of IMAB”, a Journal of very high rank among the European medical journals, with all international registrations, such as DOI, Index medicus, PubMed, Tomson Reuters, IF, Citation index, etc.

The acceptance of the papers for publication shall start immediately after the decision of the reviewers.

The authors are kindly requested to apply for publication of their papers to www.imab-bg.org with a link to the Journal of IMAB.
